

Teaching What You Don't Know, 2009, Therese Huston, 0674054024, 9780674054028, Harvard University Press, 2009

Your graduate work was on bacterial evolution, but now you're lecturing to 200 freshmen on primate social life. In this practical and funny book, an experienced teaching consultant offers many creative strategies for dealing with typical problems. Original, useful, and hopeful, this book reminds you that teaching what you don't know, to students whom you may not understand, is not just a job. It's an adventure.
